

TEARLACH ANNOUNCES APPOINTMENT OF NEW CHIEF EXECUTIVE OFFICER AND DIRECTOR

News Release - Vancouver, British Columbia, December 8th, 2022 - Tearlach Resources Limited (TSXV: TEA) (OTC: TELHF) (FRANKFURT: V44) ("**Tearlach**" or the "**Company**") is pleased to announce the appointment of Morgan Lekstrom as its new CEO and Director effective immediately.

Mr. Lekstrom has 16 years of mining and industry experience in progressively senior roles in executive management, project management, operations, and engineering management. Prior to joining Tearlach, he was President & CEO of Silver Hammer Mining Corp. and a co-founder of a uranium company, Kraken Energy Corp. Mr. Lekstrom has an established track record of delivering successes across numerous projects, capital raises and defining of strategic direction for multiple companies. He had senior technical roles at Freeport McMoran's Grasberg site in Indonesia and Rio Tinto's Oyu Tolgoi Project in Mongolia, and he co-led the design, construction and commissioning of a new steel grinding media plant for Arrium (Moly-cop) in Canada and Peru. He played an integral role in the development and revival of Golden Star Resources' Prestea underground mine in Ghana, West Africa. He has also branched out into supply chain infrastructure development, including construction, commissioning, development of asset strategies, and engineering at the Port of Vancouver's largest grain Terminal, G3 Terminal Vancouver. He served as engineering manager at Sabina Gold and Silver, where he was responsible for the first phases of execution at the Back River Marine Laydown Project, leading the project, engineering, and maintenance teams.

Charles Ross and Paul Chow, Directors, said, "We are very pleased to welcome Morgan to Tearlach and look forward to his energy and leadership. His depth of experience will be invaluable as we continue to expand our portfolio and advance exploration on our properties, building an industry-leading lithium company."

"The collaborative nature of the team as well as the vision to move forward, is truly world-class. I look forward to working with each member of the team and the Board to build Tearlach into one of the leaders in the lithium space. Through the team's vision and ability to execute, we can run multiple concurrent paths, including boots on the groundwork, acquisition, and development of strategic partnerships. This will allow us to accelerate and create value for our shareholders and our overall corporate strategy." commented new CEO Morgan Lekstrom.

The Company's Board of Directors would like to take this opportunity to thank Raymond Strafehl for his contributions to Tearlach as CEO and look forward to his continued service as a director of the Board. Ray plays an instrumental role on our board and acquisition team in assessing and acquiring projects for Tearlach.
